Open discussion will focus on these core questions:

- What are you learning? How are you going to apply what you're learning?
- What is God saying to you? What are you going to do about it?

Inspired: Slaying Giants, Walking on Water, and Loving the Bible Again

by Rachel Held Evans

If the Bible isn't a science book or an instruction manual, then what is it? What do people mean when they say the Bible is *inspired*? When Rachel Held Evans found herself asking these questions, she began a quest to better understand what the Bible is and how it is meant to be read. What she discovered changed her -- and it will change you too.

Drawing on the best in recent scholarship and using her well-honed literary expertise, Evans examines some of our favorite Bible stories and possible interpretations, retelling them through memoir, original poetry, short stories, soliloquies, and even a short screenplay. Undaunted by the Bible's most difficult passages, Evans wrestles through the process of doubting, imagining, and debating Scripture's mysteries. The Bible, she discovers, is not a static work but is a living, breathing, captivating, and confounding book that is able to equip us to join God's loving and redemptive work in the world.

The book is available for about \$12.00 on Amazon and \$17.00 at Barnes and Noble.
