To live out our ministry plan, an aspirational increase in giving for our new missions is needed. Here is how our new gifts and offerings will be used:

**\$20,000** Upgrade facility to foster thriving ministry and relevant communication strategies: sound system, online worship, phone system.

**\$10,000** Expand CSLC’s impact for the gospel in the surrounding community: digital sign, community engagement.

**\$10,000** Engage children and youth in the congregation and community as servants of Christ: staffing, training, programming.

Together, as we respond to the invitation to live generously and to be the church, we will strive to reach the goal for 2021.

In addition to the above, we **may** require increased support for our ongoing missions and operations. Covid-19 makes this impossible to predict with any accuracy at this time. While the church is closed, the revenue and support required is significantly reduced as our expenses are also significantly reduced. We will be able to provide a reasonable estimate once we establish when and how the church will reopen.
